**5.7 Partial withdrawal Charge:** There is no charge for partial withdrawal.

**6. Method of Calculation of Net Asset Value:**

The Unit Price (UP) of a Fund will be set by dividing the Value of the assets in the Fund at the valuation time (at the end of the day) by the number of units. For new business, units will be allocated depending on the price of the units using the closing NAV on the day of collection of cash/local cheque/DD, date of credit to our account in case of direct debit and day of realization in case of outstation cheque or policy issue whichever is later. For subsequent payments of premium if cash / local cheque / DD / direct debit is received in the office of the company by 3.00 p.m., the closing NAV of the day on which premium is received would be applicable. In case premium by local cheque/ DD / direct debit is received in the company after 3.00 p.m. closing NAV of the next business day shall be applicable. In case of outstation cheque /DD, closing NAV of the day of realization will be applicable.

The Net Asset Value (NAV) of each of the Funds will be computed at the end of the day (on daily basis) and the resulting price will be rounded to the nearest Rs 0.0001.

The NAV of the segregated fund shall be calculated as under:

$$\text{Net Asset Value} = \frac{\text{Market value of the fund's investments} + \text{Value of current assets} - \text{the value of any current liabilities and provisions, if any}}{\text{Number of existing units on valuation date (before creation/redemption of units)}}$$

**7. Surrender:** The policy can be surrendered at any time during the term of the policy. However, surrender value will be payable after completion of 5 years from the date of commencement of the policy.

If the policy is surrendered within five years from the date of commencement the surrender value would be fund value as on the date the policy has surrendered less the discontinuance charges as specified in the table of Policy Discontinuance Charges given above and it would be transferred to Discontinued Policy Fund .

At the end of 5<sup>th</sup> policy year higher of the discontinued policy fund value or the amount credited to policy discontinued fund accumulated at the rate of interest of 4% per annum compounding yearly will be payable

If the policy is surrendered after five years from the date of commencement, the surrender value would be fund value as on the date of surrender.

**8. Partial withdrawal:** Partial Withdrawal is allowed subject to the following conditions:

- Partial Withdrawal is allowed after five years from the date of commencement provided all due premiums are paid and the life assured has attained majority i.e. on or after attainment of age of 18 years.
- Maximum partial withdrawal is 50% of Fund Value subject to the condition that minimum balance in the fund after partial withdrawal should be one annualized premium under regular premium policy.
- Minimum partial withdrawal amount is Rs. 2,500.
- Minimum period elapsed between two consecutive partial withdrawals shall be one year.
- There is no charge for partial withdrawal.

**9. Loans:** Loan is not allowed under the plan.

**10. Discontinuance:**

- a. **Date of discontinuance of Policy:** Date of discontinuance of the policy shall be the date on which the Company receives the intimation from the insured/policyholder about discontinuance of the policy or on the expiry of the notice period, whichever is earlier. Such notice will be sent within a period of fifteen days from the date of expiry of grace period by the Company to the insured/policyholder to exercise the options (i) to revive the policy, or (ii) to withdraw completely from the policy without any risk cover within thirty days from the date of receipt of notice by the insured/policyholder;
- b. **Discontinued Policy Fund:** means the segregated fund of the Company that is set aside and constituted by the fund value of all discontinued policies in accordance with IRDA regulations. The asset allocation limits for 'Discontinued Policy Fund' will be minimum 50% in debt and maximum 50% in cash & money market instruments.
- c. **Discontinuance of premium under the policy:**
  - i. **Discontinuance of premium within first 5 policy years-** If premium is not paid within the period of grace, the Company will send a notice within a period of fifteen days from the date of expiry of grace period to the policyholder to exercise the options
    1. to revive the policy within a period of two years, or
    2. to withdraw completely from the policy without any risk cover.

If the death of life assured occurs during notice period, which will be 30 days from the date of receipt of notice by the insured/policyholder, the death benefit is payable as on the date of receipt of intimation of death of the Life Assured. The death benefit will be maximum of (sum assured reduced by partial withdrawals, if any, within two years immediately preceding the date of death of the life assured and the policy Fund Value as on date of receipt of intimation of death) subject to the minimum being 105 percent of the total premiums paid reduced by partial withdrawals, if any, within two years immediately preceding the date of death of the life assured.

If the policyholder does not exercise the option within a period of thirty days from the date of such notice, the policyholder shall be deemed to have exercised the option to withdraw completely from the policy without any risk cover and the policy Fund will be transferred to discontinued policy fund from that date. The Fund value of the policy after deducting discontinuance charges, if any, shall be credited to the Discontinued Policy Fund on the date of discontinuance of policy. At the end of 5<sup>th</sup> policy year higher of the discontinued policy fund value or the amount credited to discontinued policy fund accumulated at the rate of interest of 4% per annum compounding yearly will be payable. If the death of life assured occurs after date of discontinuance of the policy, the death benefit will be the amount higher of the discontinued policy fund value or the amount credited to discontinued policy fund accumulated at the rate of interest of 4% per annum compounding yearly will be payable.

- ii **Discontinuance of premium after 5 policy years -** If premium is not paid within the period of grace, the Company will send a notice within a period of fifteen days from the date of expiry of grace period to the policyholder to exercise the options
  - 1 to revive the policy within a period of two years; or
  2. to withdraw completely from the policy without any risk cover.
  3. convert the policy into paid-up policy

If the death of life assured occurs during notice period, which will be 30 days from the date of receipt of notice by the policyholder, the death benefit as specified above will be payable.

If the policyholder does not exercise the option to revive the policy within a period of thirty days the policy will be treated as discontinued and will be terminated paying the Fund value as on the date of discontinuance.

**11. Revival and Non-forfeiture:** If premium is not paid within the period of grace, the Company will send a notice within a period of fifteen days from the date of expiry of grace period to the policyholder to exercise the options

- (i) to revive the policy within a period of two years, or
- (ii) to withdraw completely from the policy without any risk cover.
- (iii) convert the policy into paid-up policy.

If the policyholder does not exercise the option within a period of thirty days from the date of receipt of notice by the policyholder, the policyholder shall be deemed to have exercised the option to withdraw completely from the policy without any risk cover and the policy will be treated as discontinued from that date.

If the policyholder exercises the option to withdraw completely from the policy without any risk cover or does not exercise any of the above mentioned options, either of the following will be the proceeds of discontinued policy:

- a. Within five years from the date of commencement of policy:- the fund value of the policy after deducting discontinuance charges, if any, shall be credited to the

'Discontinued Policy Fund' on the date of discontinuance of policy.

At the end of 5<sup>th</sup> policy year higher of the discontinued policy fund value or the amount credited to discontinued policy fund accumulated at the rate of interest of 4% per annum compounding yearly will be payable

b. On completion of five years from the date of commencement of policy - the Fund Value of the policy shall be paid to the policyholder.

If the due premium is not paid within the grace period, the mortality charge, the policy administration fee and Fund Management Charge including applicable taxes, if any, will be deducted and policy will participate in the performance of the Fund till the date of discontinuance. Such policy can be revived within a period of two years from the date of discontinuance and not later than expiry of 5 years period from the date of commencement of policy. In such case the policyholder can not revive the policy subsequently and will be offered above-mentioned discontinuance benefit on completion of five policy years. However, the Company reserves the right to accept or decline the revival of such policy. The revival of such policy shall take effect only after its approval is specifically communicated to the policyholder in writing.

12. **Maturity Benefit:** Life Assured surviving the date of maturity: Fund value prevailing on the maturity date if the life assured survives to maturity.

13. **Death Benefit:** If all due premiums are paid i.e. policy is in-force. Death Benefit is payable on receipt of intimation of death of the Life Assured. The death benefit will be the sum assured reduced by partial withdrawals, if any, within two years immediately preceding the date of death of the life assured or the policy Fund Value as on the date of receipt of intimation of death whichever is higher subject to the minimum being 105 percent of the total premiums paid reduced by partial withdrawals, if any, within two years immediately preceding the date of death of the life assured.

14. **Benefits payable during minority of the Life Assured:** If a claim arises during the minority of the Life Assured the payments shall be made to the Proposer and in his absence to his estate.

15. **Vesting on attaining majority:** If the policy is issued on the life of a minor, the policy will automatically vest in the life assured becoming major i.e. on his attaining age 18 yrs.

16. **General Conditions:**

**I Age Proof:** The premium mentioned in the policy has been calculated on the basis of the age disclosed in the proposal form. Should there be difference in the age proof submitted and the age mentioned in the proposal form, the Company will charge difference of mortality charges with interest on the prevailing rate compounding half yearly on the difference of the original premium charged and correct premium from the date of commencement till the admission of age. A charge for the outstanding difference of premiums and interest will be created on the policy without prejudice to the interest of the Company and the same will be recovered from any claim amount payable under the policy. In case the age renders the life assured uninsurable under the existing product, surrender value, if any, would be payable.

**II Suicide:** Insurance cover under the policy shall be void and nothing shall be payable except to the extent of a third party bonafide interest acquired in the policy for the valuable consideration, notice of which has been given at least one month prior to the date of death, in case life assured commits suicide (whether sane or insane at the time) at any time on or after the date on which the risk under the policy has commenced but before the expiry of one year from the date of this policy. However, the Fund Value under the policy as on the date of receipt of intimation of death, shall be payable to the nominee/legal representative or the Proposer as the case may be..

**III Assignment and Nomination:** Assignment of the policy, whether with or without consideration may be made only by an endorsement upon the policy itself or by a separate instrument, signed in either case by the transferor or by the assignor or his duly authorised agent and attested by at least one witness, specifically setting forth the fact of transfer or assignment. The holder of a policy of life insurance on his own life may, when effecting the policy or at any time before the policy matures for payment, nominate the person or persons to whom the money secured by the policy shall be paid in the event of his death.

Notice should be served on the Company for registration of Assignment/Nomination.

The Company does not accept any responsibility or express any opinion as to its validity or legal effect.

**IV Payment of premiums and Grace period for non-forfeiture provisions:** Grace period of 30 days from the due date irrespective of any calendar month will be allowed for payment of premium. If the death of life assured occurs during grace period, the death benefit is payable as on the date of receipt of intimation of death of the Life Assured. The death benefit will be maximum of (sum assured reduced by partial withdrawals, if any, within two years immediately preceding the date of death of the life assured and the policy Fund Value as on date of receipt of intimation of death) subject to the minimum being 105 percent of the total premiums paid reduced by partial withdrawals, if any, within two years immediately preceding the date of death of the life

**V Forfeiture in certain events:** All monies paid under the policy shall belong to the Policyholders Fund in case any condition contained or endorsed herein is contravened or in case it is found that the proposal, personal statement, declaration or any connected document contains any untrue or incorrect statement or any material information has been withheld. However, after the expiry of two years from the date on which it was effected, the policy shall not be called in question on the ground that a statement made in the proposal for insurance or in any report of a medical officer, or referee, or friend of the insured, or in any other document leading to the issue of the policy, was inaccurate or false unless the Company shows that such statement was on a material matter or suppressed facts which it was material to disclose and that it was fraudulently made by the policyholder and that the policyholder knew at the time of making it that the statement was false or it suppressed facts which it was material to disclose. Provided nothing shall prevent the Company to call for age proof at any time.

17. **Free Look period:** Policyholder is entitled to review the terms and conditions of the policy within a period of fifteen days from the date of receipt of the policy bond and in case of any disagreement with the terms and conditions, the policyholder shall have option to return the policy bond stating the reasons for disagreement. In such a case the policyholder shall be entitled to refund of non-allocated premiums plus Fund Value on the date of cancellation after appropriating the proportionate risk premium and deduction of expenses incurred towards medical examination and stamp duty charges.

18. **Taxation:** Tax benefits under the policy will be as per prevailing provisions of the Income-Tax Act, 1961. The Company reserves the right to withhold from the policy proceeds such taxes, charges or levies as may be applicable from time to time. The Company also reserves the right to recover from the policyholder such taxes, charges or levies including Service Tax as may be imposed on insurance transactions including policy premiums.

19. **Address for communication:** All communications in respect of this policy may be sent to the Registered Office or to the Local Corporate Office of the Company.

20. **Claim settlements:** Normally the following documents will be required for settlement of claim:

(i) **On maturity-**  
(1) Policy bond; (2) Discharge voucher; (3) Deed of Assignment if any
